

NAV workshop 13 January 2015

The workshop will take place at Park Inn, Engvej 171, 2300 Copenhagen
(use metro from airport to metro station Femøren).

Program:

- | | |
|---------------|---|
| Until 9.30 | Coffee |
| 9.30 – 9.35 | Welcome (Lars-Inge Gunnarsson) including description of NAV decision process in relation to breeding goals |
| 9.40-10.00 | Efficient collection of DNA, pedigree verification/assignment – status and plans in Denmark, Sweden and Finland (Anders Fogh, Nils-Erik Larsson, Minna Toivonen) |
| 10.00-10.30 | How to handle single genes in the genetic evaluation and breeding plan <ul style="list-style-type: none">• Lethals (Morten Kargo)• Other DNA tests e.g. polled, milk genomics (Jan-Åke Eriksson and Jørn Pedersen) |
| 10.30 - 10.40 | Break |
| 10.40 – 11.30 | Genomic prediction (Kevin Byskov, Ulrik Sander Nielsen and Gert Pedersen Aamand) <ul style="list-style-type: none">• Efficient genomic selection – reducing the gap from birth to GEBV• Experiences genomic prediction• Females in reference population• GMACE |
| 11.30 - 11.50 | NAV Bull search page possibilities and further development (Elina Paakala, Emma Carlén and Anders Fogh) |
| 11.50 - 12.40 | Lunch |
| 12.40 - 13.20 | Feed efficiency – possibilities and limits (Jan Lassen, AU) |
| 13.20 - 13.30 | How to deal with persistency in the breeding goal (Jan-Åke Eriksson) |
| 13.30 - 13.45 | Young stock survival and possible inclusion in NTM (Jørn Pedersen) |
| 13.45 - 14.00 | Optimal combination of linear udder traits (Ulrik Sander Nielsen, Jan-Åke Eriksson, Jukka Pøsø, and Gert Pedersen Aamand) |
| 14.00 - 15.15 | Group work and coffee
<i>Holstein Chairman, Erik Hansen (DK), Secretary Jukka Pøsø (F)</i>
<i>RDC Chairman Andreas Johansson (F)), Secretary Jan-Åke Eriksson (S)</i>
<i>Jersey Chairman Anders Levring (DK), Secretary Anders Fogh (DK)</i> |
| 15.15 - 15.30 | Short update from group work by group secretary |
| 15.30 | Closing the workshop |
